

**WAKE UP AND STAND UP**

**IT'S TIME TO  
INVOICE A SUPER PAC!**

**Coffee Party USA** is a grassroots, non-partisan movement aimed at restoring the democratic process. Our path includes:

- Identifying and advocating for legislative fixes to reform campaign finance laws, Wall Street regulations, and the tax code
- Promoting cultural changes to address political disengagement, polarization and widespread misinformation

Probably **nothing has done greater harm to our political process than the *Citizens United* decision**, which allowed unlimited funds to funnel through Super PACs and into your living room – and gave us Mitt Romney's famous quote: "Corporations are people, my friend!"

Well, **these Super PACs** are many things, but they **are NOT your friend**. There's no accountability, no transparency and, ultimately, very little in the way of *truth* that comes from these organizations.

**As an Active Citizen, you can now participate in the protest against these Super PACs.** All you need to do is:

- print out the "invoice" below,
- complete the *From* field,
- pop it into an envelope,
- address it to our target Super PAC, Karl Rove's infamous Crossroads GPS,
- stick a stamp on it,
- and put it in the mail.

**OUR GOAL: 50,000 LETTERS, ALL ARRIVING BY THANKSGIVING!**

It's our way of making sure that Crossroads GPS knows that we are NOT grateful for their efforts...

**PRINT OUT AND SEND YOUR "INVOICE" TODAY!  
AND THANKS FOR YOUR SUPPORT!**

*Wake Up  
and  
Stand Up!*

Dear Crossroads GPS:

Throughout this year's election season, your organization has repeatedly relied upon the American Voter to respond to your messages and your surveys, and to provide you with our time, attention, and opinions.

Given that the purpose of these services was to assist you in selling a specific message to other voters, we now believe it appropriate that we "**Invoice the Super PAC**" for the time and expertise we have provided. To that end, the following is a request for a contribution **in the amount of \$538.00, \$1.00 for each of the Electoral College votes you have been trying to buy with your campaign.**

While we recognize you are in no way obligated to pay us back for our time and efforts, we would appreciate your consideration, and look forward to your voluntary contribution.
